A MESSAGE FROM OUR STAFF

Goshen School Corporation approved sports camps have been an enjoyable summer activity for the youth of Goshen for many years. It is an excellent opportunity for your children to work with experienced and knowledgeable high school coaches. The main goal of the camps is to have fun while developing individual skills in a particular sport.

The camp staff invites you to have your children get involved with a camp this summer. Please feel free to contact any of the coaches of the specific camps. Their work phone numbers and e-mail addresses are listed in the individual camp section of this brochure.

No child will be denied for financial reasons. Contact the head coach for more information about financial assistance. We are pleased to offer a reduced rate for a child attending multiple camps. If you attend 2 camps, each camp is \$30. If you attend 3 or more camps, each camp is only \$25.
