IHSAA Student-Athlete Tip of the Week (5-21-18)

"Promoting education based athletics in Indiana"

According to an article in the Indianapolis Star, one of the top returning baseball teams in the state has had a disappointing regular season, but like all teams, hope to peak during the state tournament.

A quote by one of their three Division I pitching recruits explains why he thinks his team will be ready for the challenges ahead.

"It is good for us because it makes us accountable. When we lose, we see how it affects everybody in the community. It is good for us to have that leadership position in the community because you should be accountable for what you are doing." (Wins and losses)

Win or lose, you are accountable for your performance, your attitude and your result. Focusing on what you can and will do (rather than others) will keep you moving toward achieving your personal or team goals.

Football

GMS Football Camp will be held on Foreman Field May 21-24 from 6:30-8pm. Camp is open to next year's 7-9th graders. GHS Football workouts will begin Tuesday June 5. All players must have a physical on file before they will be allowed to workout. Workout information and our summer calendar can be found at www.goshenredhawks.org

News & Notes

Summer Camps: Summer camps begin on June 4th with boys basketball and volleyball. If your child would like to participate, please fill out a form and return it to the GHS Athletic Office during normal school hours or between 6 AM- 4 PM June 4th-June 20th. The summer camp brochure can be found online at goshenredhawks.org. Click on the "More" drop down menu where you will find "Camps and Clinics".

Paperwork: To be able to participate in workouts (off-season or in season), you must have all of your paperwork completed and on file in the Athletic Office. This includes your physical, concussion/cardiac paperwork, code of conduct/emergency contact information card, & your drug testing paperwork. All of these items can be found on the Athletics website under the "Forms" tab except for the drug testing policy which must be filled out by both the athlete & guardian in the Athletic office.

SPV Training: If you or a new coach on your staff needs to be trained on the new SPV please contact the Athletic Office to set up a time for training before summer is here.

New Website: The Goshen Athletics website has officially moved to goshenredhawks.org. Here, you can find athletic participation forms, sports schedules, news and information, and so much more!

Fall Sports: The official first day of the 2018 fall sports season is on July 30th. All athletes must have the proper paperwork filled out and turned into athletics before participating in any workout for any sport.

Online Registration: Are you tired of filling out the same paperwork year after year for your children? Now, you won't have to! You can go to goshenredhawks.org and fill out the online registration forms so you don't have to fill out the same information over and over again. Your child's information will roll over from one year to the next. If you need to change any information, all you have to do is login and edit the documents. It's that simple! At this time, you will still need to turn in the physical exam paperwork to the Athletic Office. If you want to continue filling out the forms the old fashioned way, you can either come to GHS to pick up the forms needed or print them off of the goshenredhawks.org website.

Have a wonderful, fun, and safe summer vacation!
